INDEMNITY INSURANCE

The Medical Board of Australia (MBA) requires all medical practitioners who undertake any form of practice to have professional indemnity insurance which complies with the standard set by the MBA. The standard provides that medical practitioners employed in the public sector must have cover under a master policy.

The Victorian Managed Insurance Authority (VMIA) policy of medical indemnity insurance provides cover for GV Health employees in relation to claims by patients of GV Health for personal injury.

Medical practitioners employed by GV Health, and for work done on behalf of GV Health, are not required by the MBA to take out additional insurance in order to meet registration requirements under the national scheme. However, GV Health strongly recommend that medical practitioners take out "top up" cover with a private medical defence organisation as cover is not, and never has been, available for legal and other costs of appearing before a professional disciplinary body such as the Medical Practitioners Board of Australia. In addition the VMIA may pay the reasonable costs, charges and expenses of legal representation incurred with VMIA's prior written consent, at any Coronial Inquest which GV Health is legally compelled to attend, which directly relates to matters, facts or circumstances directly arising from a Claim, or to matters, facts or circumstances which are likely in the opinion of VMIA to give rise to a Claim.

If GV Health medical practitioners engage in independent private practice (that is not covered under an approved GV Health model), VMIA's policy of medical indemnity insurance will not respond to claims from private patients.

MEDICAL CHECK

GV Health reserves the right to require you, at any time, prior to commencing your employment, or during the course of your employment, to undergo a medical assessment by a qualified medical practitioner selected by GV Health at GV Health's expense. Any medical reports provided to GV Health may be released to you upon request.

SALARY PACKAGING

This letter will act as the authorisation form for your salary packaging.

OFFER PERIOD

This offer shall be valid for fourteen days from the date of issue.

ACCEPTANCE

Sneh, congratulations on your appointment. Your acceptance of this position confirms that you are aware of and committed to the vision, mission and values of GV Health, which are **Compassion, Respect, Excellence, Accountability, Teamwork and Ethical Behaviour** and that you are aware that your duty to maintain confidentiality of information pertaining to GV Health continues beyond the conclusion of your employment with GV Health and continues even though you are no longer an employee with GV Health.

APPOINTMENT LETTER

1261

Shri Krishna Kale, at post : Ichalkaranji, Dist : Kolhapur

This is just to ensure that the candidate who has resigned should serve the notice period of 1 month from the date of resignation so that within this period we recruit another physio and train him/her for the smooth operation of the clinic.

The degree certificate that we keep will be given to candidate on the last day of his/her service. The tenure will be from 18.3.19 to 18.3.20

As all the terms and condition, policies etc are designed based on our experience. We have seen many good physio's who are very much committed to the entire profession/clinic/management/ their career, but at the same time, we also have seen some physio's who were unprofessional and did not bother to serve notice period and they do not understand the problem if the physio leaves abruptly, what will happen to the clinic and the patients. This creates a very bad image in the society for the professional/brand/physio.

So it is always better for all of us to behave in a professional way so that we help upbringing the physiotherapy profession.

We have no intention to point out anybody in person here, but the policies are applicable to all of us including me.

I hope you understand and take this note in positive way.

Thanks and regards,

RECOVERY PHYSIOTHERAPY AND WELLNESS CLINIC

I have read through the letter almost all the information was inform to me at the time of interview.
