FACULTY OF MEDICAL SCIENCES Stakeholder Feedback – Action Taken Report

Students' Feedback

Sr No	SUGGESTIONS	ACTION TAKEN
1	Quality Accreditation Cell should be set with student involvement from all years of UG and PG of each course. Bi-monthly meetings and review of course curriculum and implementation should be done with Quality Accreditation Cell, students and professors	Students represent various college level committees. Student participation has also been initiated in College Level Internal Quality Assurance Cell (IQAC) from Academic Year 2021-22. Quarterly meetings of IQAC will be held involving student members. Efforts will also be made for better awareness and engagement among students in such committees.

Alumni Feedback

Sr No	SUGGESTIONS	ACTION TAKEN
1	More exposure to recent methods and ethically correct medical practice	All post-graduate students are given exposure to recent advances in their respective specialization and one assessment paper (No. IV) on recent advances is mandated for all post-graduate students. Student-wing of Bioethics was constituted in 2019 and will be re-constituted yearly to ensure training and opportunity for more number of students
2	Try to develop all super specialities	MCh Urology and DM Cardiology Programmes had been initiated since 2020. Efforts have also been initiated for applying and procuring seats in Super-speciality course of MCh Oncosurgery along with speciality courses of MD Transfusion Medicine and MD Emergency Medicine
3	Establish a gallery which will exhibit extracurricular achievements of all students.	It was resolved that the suggestion be forwarded to University for further consideration and implementation.

Teachers' Feedback

Sr No	SUGGESTIONS	ACTION TAKEN
1	Improvement in collaboration with NGOs to extend health care services for people beyond reach	It was resolved in the meeting held at the Department of Extension Activities that relevant NGOs should be contacted and process of signing of MoU be initiated. It was also resolved that the number of activities with existing NGO collaboration be increased
2	Cadaveric dissection should be made part of post graduate curriculum	Cadaveric Lab for Super-speciality (Neurosciences) is under development and will be open for practice soon
