ABOUT US :

KVV (Deemed to be University)-

Krishna Vishwa Vidyapeeth (Deemed to be University), Karad, is accredited by NAAC with an 'A+' grade and has been conferred with ISO 9001:2015 certification. The constituent faculties of the University include Medical, Dental, Physiotherapy, Nursing, Pharmacy & Allied Sciences, offering undergraduate & postgraduate courses in their respective faculties. The University also runs Ph.D. programs & Post-Doctoral Fellowships in various subjects.

Krishna Institute of Pharmacy, Krishna Vishwa Vidyapeeth (Deemed to be University), Karad, was started in 2017. There was a deserved addition of futuristic courses like Pharm D, Pharm D (PB) & M.Pharm in Pharmaceutics, Regulatory affairs & Pharmaceutical quality assurance in the crown of Krishna Institute of Pharmacy, Karad. The infrastructure has taken shape under the dynamic guidance of Hon. Dr. Suresh Bhosale, Chairman and Chancellor of Krishna Vishwa Vidyapeeth Deemed to be University. At present, the institute has the great pleasure of teaching & training students from all parts of India. At KIP, we make serious & sincere efforts to bridge the gap between pharmaceutical industries & academia. Student centric culture is followed such as Guide, mentor allotments as per student's choice. We have number of functional MOU'S with pharmaceutical industries, startup companies & clinical research organizations. KIP has industry experts in the Board of studies to incorporate requirements on the part of industrial experts. Faculty members have contributed in terms of 63 copyrights, 7 patents, 4 book chapters, 21 Intra Mural Projects, 7 Extra Mural Projects & 70 research publications in journals of repute. Quality assurance for every stakeholder is carried in terms of seminars, workshops, conferences, webinars & faculty development programs. KIP takes pride in producing quality pharmacist having profound knowledge & are tailor-made to meet stringent demands of pharmaceutical industry & proud torchbearers of this great profession of pharmacy.

Objectives of Mind Expedition 2k23: The Pharma Quiz

- Stimulation of cognitive curiosity and exploration in the field of pharmaceutical sciences
- Providing a platform for participants to expand their knowledge base through engaging quiz questions
- Enhancing critical thinking, analytical, and problem-solving skills among participants.
- Fostering quick decision-making abilities & effective time management, crucial in the dynamic pharmaceutical landscape

- Facilitating interaction & collaboration among participants, creating a dynamic network of future pharmaceutical professionals
- Providing an opulent platform for students to adorn their knowledge and inspire them to "Think out of the box"
- Instilling a spirit of healthy competition, encouraging participants to showcase their knowledge & skills in a positive & competitive environment
- Acknowledging and rewarding participants for their dedication to academic excellence & commitment to staying informed in their field

General Instructions :

1. It is mandatory to fill out the registration form provided in the link below:
<https://forms.gle/DV3KWcEPxGJmfJ66A>
Upload the certificate or endorsement issued by the Head of the Institution (in pdf/jpg format).
2. After document verification, participants will be added to the WhatsApp group by the programme committee.
3. The Prequalifying Quiz Round, in the format of multiple-choice questions (MCQs), will be conducted in online mode on Friday, 16/12/2023. It will consist of a total of 50 MCQs, each carrying 4 marks.
4. A total of 05 student participants will be selected for the final round (offline mode) based on the score and time taken to attend the prequalifying round.
5. Note: Accommodation, lunch & dinner for final round participants & staff representatives, if any, will be provided if necessary.

KRISHNA INSTITUTE OF PHARMACY

Krishna Institute of Pharmacy (KIP) is, one of the constituent unit of Krishna Vishwa Vidyapeeth (Deemed to be University), Karad, established in 2017 with intake of 60. In two years, times, due to unprecedented demand for admissions, the intake capacity was increase to 100. At KIP, we sincere efforts are made to bridge the gap between pharmaceutical industries & academia. Student centric culture is followed such as Research, Teaching learning mentoring students etc. KIP has number of functional MOU'S with pharmaceutical industries, start-up companies & clinical research organizations. KIP has industry experts in the Board of studies to incorporate requirements on the part of industrial experts. KIP hosts MOU'S with universities of repute & many standalone colleges. At KIP, we conduct a national level quiz program 'MIND EXPEDITION' which happens to be an annual event. KIP has a number of collaborations for research programs with a numerous university. Faculty members have contributed in terms of 63 Copyrights, 7 Patents, 4 Book Chapters, 21 Intra Mural Projects, 7 Extramural Projects, 200 research publications in journals of repute. Quality assurance for every stakeholder is carried in terms of seminars, workshops, conferences, webinars & faculty development programs. KIP takes pride in producing quality pharmacist having profound knowledge & are tail or made to meet stringent demands of pharmaceutical industry & proud torchbearers of this great profession of pharmacy. The Institute with modern infrastructure comprises of several class rooms, tutorial rooms, conference rooms, administration hall, well equipped laboratories, digital library, & all other amenities. The infrastructure has taken shape under the dynamic guidance of Hon. Dr. Suresh Bhosale, Chancellor of Krishna Vishwa Vidyapeeth (Deemed to be University). At present institute has great pleasure to teach and train the students from all parts of India. We have made deserved addition of futuristic Programmes in college like Pharm D, Pharm D (PB) & M. Pharm (Pharmaceutics, Regulatory affairs & Pharmaceutical quality assurance) and Ph.D in Pharmacy in the crown of Krishna Institute of Pharmacy, Karad.

ASSOCIATION OF PHARMACEUTICAL TEACHERS OF INDIA (APTI)

Association founded by the pioneers of Pharmacy education in India in 1966 by leading personalities like Prof. M. L. Schroff, Prof. G. P Srivastava, and others, have come a long way in creating better intercommunication and promoting, excellence in pharmacy education. Through its tailor-made mission and objectives, the association has provided a common platform for bringing together. Teachers of pharmacy education across the nation. APTI is celebrating Its 57 years, today has more than 15000 life members apart from a sizeable number of associate life members and student members from all over the country. The association with its activities is providing a robust platform for the bouncing avant-garde ideas of the members in the academic field through new and more advanced teaching methodologies, fabrication of tools, computer-aided drug designs, and other applications through Interaction with industry, hospitals, regulatory bodies, and community pharmacy.

KRISHNA COLLEGE OF PHARMACY, KARAD

Krishna Charitable Trust (KCT) was established in 1974 by the Hon'ble late Jaywantraoji Bhosale with the philanthropic objectives of providing medical relief through Krishna Hospital & Research Centre, advancing medical education via a medical college, paramedical schools, and schools for general education, promoting medical research works, raising health awareness among rural communities, and preventing and relieving sickness among the rural poor. KCT's Krishna College of Pharmacy, offering the D. Pharm program, was established in 2006 to provide quality pharmacy education. In 2022, KCT introduced the B. Pharm course and the existing D. Pharm

JAYWANT INSTITUTE OF PHARMACY, WATHAR

Krishna Foundation's Jaywant Institute of Pharmacy, Wathar (KFJIP, Wathar) was established in 2019 by Hon. Dr. Suresh Bhosale (Chairman, Krishna Foundation, Malkapur and Chancellor, Krishna Vishwa Vidyapeeth, Karad) with the aim to provide quality Pharmacy education to students specifically from rural area. The spacious college building, laboratories, resourceful library and all the amenities have taken a shape under the dynamic guidance of Dr. Atul Bhosale (Mentor and Managing Trustee, Krishna Foundation, Malkapur) and Mrs. Gaurawi A. Bhosale (Academic Director, Krishna Foundation, Malkapur). KFJIP, Wathar is currently providing D. Pharm. as well as B. Pharm. course options along with the excellent facilities and infrastructure for students and also by focusing on extracurricular opportunities for overall professional growth of the students. Faculty of the institute is well qualified and experienced and continuously delivers industry-oriented knowledge along with the routine academic curriculum to make students Pharma industry ready, thereby making this institute a best choice for bright Pharma Career. This institute is approved by PCI, New Delhi and affiliated to DBATU, Lonere and MSBTE, Mumbai

ABOUT THE CONFERENCE:

This conference likely aims to bring together students, researchers, and academicians, in the field of pharmaceutical sciences and technology to share and discuss the latest advancements, research findings, and innovations. Such conferences provide a platform for networking, collaboration, and the exchange of ideas among participants. In addition to fostering collaboration and idea exchange, conferences in the field of pharmaceutical sciences and technology serve as crucial forums for participants to gain insights into cutting-edge research and advancements. These events often feature keynote speeches, panel discussions by prominent experts, offering attendees a valuable opportunity to enhance their knowledge and stay abreast of the latest trends in the field.

OBJECTIVES OF THE CONFERENCE:

Student Conference is to provide a comprehensive platform for research, passionate students, PG and Ph.D./Research scholars to showcase their skills, latest findings and advancements in Pharmaceutical Sciences and Technology. The conference will also serve as a platform for fostering collaboration and knowledge exchange and addressing challenges in the field on a national scale, contributing to continuous advancement in Pharmaceutical Sciences and Technology.

Who can Participate?

D. Pharmacy
B. Pharmacy
M. Pharmacy
Pharm D
PhD

TOPICS FOR POSTER PRESENTATION:

D. Pharmacy:

1. Patient counselling.
2. Antimicrobial resistance: A Global threat
3. Community Pharmacy

B. Pharmacy and Pharm D

1. Technology & Telepharmacy in Pharmacy Practice
2. Drug Discovery
3. Formulation development research

M. Pharmacy & PhD:

1. Advances in drug discovery and drug delivery
2. Natural Products in drug discovery
3. Analytical & Bioanalytical methods

POSTER PRESENTATION GUIDELINES

A. Poster Dimensions Requirements and Set-Up Procedures

1. Poster size may be no more than 4 feet by 3 feet (i.e., length is no more than 4 feet and the width is no more than 3 feet). Oversized posters will obscure an adjacent poster and will be rejected.
2. Computer display equipment, sound or projection equipment, or freestanding displays are not permitted.
3. Presenters will be assigned a specific time slot and numbered space for their poster presentation. Presenters will forfeit their opportunity to present their research if they are more than five (5) minutes late for their presentation.
4. The space, stands for the posters and/or pushpins for mounting posters will be provided. Staff/Student Committee members will also be available to assist with locating an assigned poster space.
5. All posters must be set up in the time allotted before the session, and must remain up until the session ends. Presenters are to remain by their poster during the entire time of the assigned session time, to answer questions and be evaluated by poster judges. After the session ends, posters and materials should be promptly removed

B. Criteria for Judging Poster Presentations

Given the number of posters, judges may only have 10 minutes or less to review, discuss, and evaluate a poster presentation.

Poster presentation will be evaluated based on the following criteria:

- Quality and relevance of the abstract.
- Content and layout of the poster:
- The title, names of authors, and the institution(s) where the work/research was performed.
- Poster layout should be in a logical order, including text and graphics that explain the objectives, methodology, results (if any), conclusion, and references of the work/research.

Presentation: Presenters should demonstrate a good understanding of the study and related areas and respond effectively and clearly to questions.

C. Poster Design Suggestions & Tips

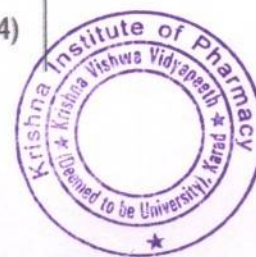

- All text material should be legible from about 4 feet away.
- Text Font should be legible and text size should not be less than 14 points.
- Posters should include text and graphics and use color to add emphasis and clarity.
- Illustrations should be simple and bold, and photos should clearly show pertinent details.
- Displayed materials should be self-explanatory and should enhance the verbal presentation and discussion.
- Speak clearly and loud enough for observers to hear you.
