**10. Cancer Awareness Program**

Awareness programme about Cancer through Role play was arranged for patients and their relatives visiting OPD of Krishna Hospital Karad. Motive of this program was to aware people about cancer and its causes and prevention and social impact.

This Role play conveyed the information to prevent cancer through good hygiene and exercise. This Role play also informed the prevalence rate of cancer in India, about addiction free life style and modes of its prevention. This focused on good lifestyle and its importance in cancer prevention. Information about treatment of cancer was also given.

**13. ANC care, diet & exercise awareness program**

Group program to create awareness among pregnant women on ANC care, diet & exercise, immunization and family planning methods was conducted by KIMS in collaboration with Sau. Venutai Chavan Sub District Hospital, & RNTCP department at Supane PHC on 04.03.2017.

This survey was arranged for identification of ANC patients if any in Supane. It is important for early case detection and treatment to avoid chances of spreading of disease in case of late detection. The late detection also increases chance of severe infection in Patient. So motive behind this survey was to identify active cases. This survey helped in disease control and prevention.

### 37. Guidance for Preparation of Nutritious Food

KIMSDU has organized nutrition week celebration with B.Bsc (N) students & ICDS Anganwadi No.78 in collaboration of Primary Health Centre, Kale Karad on 16/9/16.

Students prepared vegetable pulav with various vegetables mixed in rice, piasum preparation & fruit salad.

- Krishna Poshak mix daily supplement of 1800 gm of the mix food (providing 449.67 kcal and 8.61 gm of proteins) has been found to bring about significant improvement in the growth rate of pre-school children. The final supplementation product is named as '**Krishna Poshak Mix**'. 100 gm of '**Krishna Poshak Mix**' laddus provided 8.61gms protein & 449.67 k.cal.

**STREET PLAY REPORT**

On 10<sup>TH</sup> October 2016 faculty of Krishna Institute of Nursing Sciences & NSS Team of KIMSDU Karad has conducted street play on Leprosy with collaboration of Sou Venutai Chavan Sub-District Cottage Hospital, Karad. Nursing students of Third year RGNM, Second POST BSc, second Msc. & teachers had taken initiatives in this street play.

Objectives of this street play are:

1. To remove blind believes & misconception about leprosy.
2. To remove the social stigma about leprosy among community people.
3. To create awareness regarding new treatment modalities & facilities provided by the Government.

In our street play the various roles are played by our nursing students to make the community people aware about leprosy. Dr. Sutar Leprosy Officer , Mr. N.R. Kakade Lecturer, Mrs. Mane Ujwala R. Clinical Instructor, Mrs. Manda J. Phuke, Clinical Instructor Mr. Vikas Jadhav Clinical Instructor, KINS Karad has guided them to make the street play successful.

**40. CELEBRATION OF CHILDREN'S DAY & EDUCATIONAL VISIT TO "EHSAAS MATIMAND MULANCHE BALGRUH", SCHOOL FOR MENTALLY RETARDED CHILDREN**  
14<sup>th</sup> November 2016

"Children are a wonderful gift. They have an extraordinary capacity to see into the heart of things and to expose sham and humbug for what they are."

*-Desmond Tutu*

**OBJECTIVES OF VISIT TO:**

- 1) Celebrate the Children's Day 2016.
- 2) Assess the growth and development of mentally retarded children.
- 3) Assess the available resources and health facilities available in school for mentally retarded children.
- 4) Appreciate the efforts taken by the teachers, and non-teaching staffs for development of mentally retarded children.
- 5) Gain knowledge about different teaching modalities used by the teachers.
- 6) Gain knowledge about development and extension of remedial, curative, vocation and rehabilitation services for mentally retarded children.

On the occasion of '**Children's Day**' with valuable guidance of DR.Prof. Mrs. Vaishali R. Mohite, Dean and Principal, Krishna Institute of Nursing Sciences, Karad and Mr.AvinashSalunkhe Vice Principal, Mrs. Rajashri Karale, Lecturer,KINS organized Educational visit & celebration of Children's Day at "**EHSAAS MATIMAND MULANCHE BALGRUH**" at Shendre, Taluka Satara, on 14/11/2016. Students of KINS- 2<sup>ND</sup> RGNM,3RGNM,3BSc.(N.),1<sup>ST</sup>PBBS.(N),1<sup>st</sup> MSc. (N.) 2<sup>nd</sup> MSc. (N.) and Faculty of Child Health Nursing contributed money and purchased ceiling Fan and Desi Banana for Childrens. Total 26 studentsincluding 2<sup>nd</sup>YrMsc. Nsg, (Child Health Nursing specialty)-4students,1<sup>st</sup> Yr. P.B.Bsc. Nsg. - 11students, 3<sup>rd</sup>Yr RGNM - 11students and 2 faculties Mrs.RajashriKarale,Lecturer,KINS and Mrs.Sushama Shete, Clinical Instructor were visited the school.

Mr. Sanjay Kambale is the founder and Mrs. Urmila Ballal is the president of the "**EHSAAS MATIMAND MULANCHE BALGRUH**". Mr. Sanjay Kambaleand his wife started this school in 2006 with the 5 mentally retarded children in their own living house and this school was establishment on 9 July 2010.At present there are total 50 mentally retarded childrensand 17 staff members working in the school.There are 3 classrooms for the children.

At 11am childrensday programme was started with the prayer song. Then **welcome speech** was given by the Ms. SnehaSankpal2<sup>nd</sup>YrMsc. Nsg.then **Balgeet**presented by the 3<sup>rd</sup>Yr RGNM students.Then the speech on "**Children's Day**" given by Ms. AshwiniThorat.

Report On Atpadi Camp

Held on 11/07/2016

A health check up camp was conducted at Atpadi which is 97 kms. from KIMS DU on 11/07/2016. The camp was organised by KIMS DU which was beneficial for the villagers as there is no any facility for physiotherapy in the village. The team of doctors were headed to the village by bus organised by the college. The team of doctors included two members from each faculty. Dr. S. Anandh and Dr. Vaishali Jagtap with four students attended the camp from physiotherapy department. A total of 51 patients were screened, assessed and treated by physiotherapists. The camp duration was from 9:00 AM to 5:00 PM. Patients who required physiotherapy treatment were screened, assessed, consulted and treated. The camp was found to be of great benefit to give physiotherapy consultation as well as to spread awareness of physiotherapy. The camp was found to be of great benefit to villagers as well as for students.

A health check up camp was conducted at Potale which is 11 kms. from KIMSDU on 26/04/2017. The camp was organised by KIMSDU which was beneficial for the villagers as there is no any facility for physiotherapy in the village. The team of doctors were headed to the village by bus organised by the college. The team of doctors included one member from each faculty. Dr. Vaishali Jagtap with three students attended the camp from physiotherapy department. A total of 12 patients were screened, assessed and treated by physiotherapists. The camp duration was from 9:00 AM to 5:00 PM. Patients who required physiotherapy treatment were screened, assessed, consulted and treated. The camp was found to be of great benefit to give physiotherapy consultation as well as to spread awareness of physiotherapy. The camp was found to be of great benefit to villagers as well as for students.

INTERNATIONAL DAY OF PERSONS WITH DISABILITIES

**3 DECEMBER 2016**

Disability Day was celebrated in a grand manner in Krishna Institute of Medical Sciences Deemed University on December 3rd 2016 hosted by Faculty of Physiotherapy.

Venue: KIMS DUCampus, OPD area & College of Physiotherapy

Time: 9:00 AM – 11:00 AM

The International Day of People with Disability is a day that has been promoted by the United Nations since 1992. The

aim of Disability Day is to encourage a better understanding of people affected by a disability, together with

helping to make people more aware of their rights, dignity and welfare of disabled people, as well as raise awareness about the benefits of integrating disabled persons into every aspect of life, from economic, to political, to social and cultural. Disability Day is not concerned exclusively with either mental or physical

disabilities, but rather encompasses all known disabilities, from Autism to Down syndrome to Multiple Sclerosis.

The overall aim is to show non-disabled people that a person with a disability can be a vibrant member of society, as it happens that the entirely healthy are not always quite aware of this fact, which can lead to different kinds of discrimination of varying degrees of severity. The disabled, on the other hand, benefit from such performances by proving to themselves that there are many things they can still do, despite their conditions, which can help with their self-esteem and avoid mental

Report of Extension and Outreach Program  
2016-2017

Issues such as depression from plaguing them. In general, these kinds of events are meant to challenge and they get rid of various stereotypes so that disabled people can enjoy lives free of discrimination and additional hardship.

A variety of events were held on that particular day. They are listed as follows

1. Welcome speech by the Guest of honor by Sata district head.
2. Special talks by the Dean, Faculty of Physiotherapy and Special invitees of the day Dr. R. Raja, Principal, Kempagowda college of Physiotherapy, Bangalore and Dr. Satish Kumar, Miraj college of Physiotherapy & Medical centre, Miraj.
3. Poster presentation by UG students of Physiotherapy.
4. Video display in the campus ILOP waiting area of the university showing special performances of the disabled.
5. Promoting the use of wheel chair for the disabled with restricted mobility.
6. Display of charts provided by World health organization for the disabled population.
7. Promoting outdoor activities for disabled by the students by presentations.

**438. SAFE MOTHERHOOD DAY CELEBRATION**

The national motherhood day was celebrated in our KIMSDU campus on 11<sup>th</sup> of April. As a part of the celebration a guest lecture was conducted in the campus. Health talks and demonstrations were conducted by the students in the respective wards.

Speaker of the day: Dr. Girish Wagh

Practical demonstration by: internship students

In January 2004, an expanded partnership for safe motherhood and newborn was established with the aim of promoting the health of women and newborns, especially the most vulnerable. Expanding the scope the global safe motherhood initiative and building on the work of the safe motherhood. Every minute of every day, somewhere in the world and most often in developing country, a woman dies from complications related to pregnancy or childbirth. Newborn health and survival are closely linked to health of the mother before and during pregnancy, as well as during labour, childbirth and postpartum period. Key interventions for improving newborn health include: appropriate antenatal care, ensuring a skilled attendant at every birth; tetanus toxoid immunization; and immediate and exclusive breastfeeding.

This day was launched by the White Ribbon Alliance (WRA), India, and a nonpartisan, non-profit and non-governmental membership organization that aims to decrease maternal and newborn death globally. The goal is to ensure that all women realise their rights to be safe and healthy before, during and after childbirth. The vision is a world where the right of all women to be safe and healthy before, during and after childbirth is upheld.

### 439. NSS ACTIVITY: HIV VACCINE AWARENESS DAY

#### HIV AND AIDS:

Acquired immunodeficiency syndrome (AIDS) is a disease that is caused by a retrovirus called human immunodeficiency virus (HIV). HIV attacks a type of lymphocytes known as helper T cells. Helper T cells are cells that stimulate the activities of B lymphocytes, which produce antibodies. After an HIV infection sets in, helper cells begin to decline in number, and the person becomes more susceptible to the other types of infections.

#### HIV VACCINE AWARENESS DAY CELEBRATION:

This day is a chance to the volunteers, community members, health professionals, and scientists working together to find a safe and effective preventive HIV vaccine. It also is a time to educate communities about the importance of preventive HIV vaccine research. The disease was first recognised in 1981.

#### COMPETITION:

A poster competition was conducted at university level and 5 students of internship participated in the poster presentation and won the 3<sup>rd</sup> prize. Students further spoke to the public regarding the importance of celebrations and health awareness.

#### WINNERS WITH 3<sup>RD</sup> PRIZE IN POSTER PRESENTATION

**440. NSS ACTIVITY: INTERNATIONAL DAY OF YOGA**

On the occasion of international yoga day on 21<sup>st</sup> June 2017 the faculty of physiotherapy participated in the yoga demonstration camp at Khubi, Karad. The participants were school children and local villagers. Students from faculty of physiotherapy also joined with them in performing yoga.

The students and public have been made aware of the benefits of the yoga with disclosure given by dr. Sunder MD (Ayurveda) followed by speech by the senior citizens of the village. A total number of 120 participants were assembled for yoga performance and 3 staff participated in the yoga day celebrations.

**PHYSIOTHERAPY HEALTH SCREENING CAMP**

A health screening camp has been organized on the occasion of international yoga day at Khubi followed with yoga celebrations. Students of physiotherapy completed the screening door to door in the village.

## 452. Special Camp

(2016-17)

The NSS Special Camp was carried out in village Khubi, of Karad taluka for second time from Feb. 27 to March 5, 2017. Fifty student volunteers from different disciplines (20 Medical, 10 Dental, 10 Nursing, and 10 Physiotherapy) participated in the Camp. They were informed about Camp activities in advance in their respective Institutes by their respective Programme Officer. Following is day-to-day activities done in the Camp.

Day 1 (Monday 27<sup>th</sup> Feb., 2017): Students and staff started to Khubi by 8:30am and reached by 9:30am. Sarpanch Mr Vijaybhau Jagatap, Dy. Sarpanch Kuberappa Mane, members of Khubi Grampanchayat, local leaders and villagers welcomed us all. Students, boys and girls, kept their material in allotted rooms and marched for 'Shivar-Pheri' to alert all villagers regarding initiation of the Camp activities by giving slogans and distributing programme schedule to villagers. On return they all gathered in Siddheshwar temple nearby the stay place. They were given tea and informed how to conduct the survey. They were also asked to keep discipline throughout the Camp. The groups each of 5 students were formed to conduct surveys on various topics viz. 1. Knowledge of organ donation, 2. Prevalence of hypertension, 3. Socio-clinical parameters and biological age, 4. Factors associated with low back pain and 5. Practice and knowledge about reproduction system in age group 12-16yrs; during seven days Camp period. As it was 12:00noon, students were asked just to initiate survey activity by filling at least 3-4 survey forms. The staff also accompanied students during the survey. They returned by 1:00pm. By the time lunch was ready. Students from Medical faculty served food to all. Students from Dental faculty prepared for 'Child Health Programme'. The team of doctors led by Pediatrician Dr. Vishal Patil arrived by 2:30pm for conduction of this activity. This team was assisted by Dental Students. The team checked 125 children and provided medicines as well as guided for further treatment to those needy. In the evening Dental students arranged for Camp Inauguration Programme. Registrar Dr M V Ghorapade and Professor Dr Asha Jadhav were present on this occasion. They were summarized the first day activities. Dr Ghorapade inaugurated the Camp. After inauguration they both visited students rest place as well

as food preparation place. During this visit they directed us about students' safety and care.

Day 2 (Tuesday 28<sup>th</sup> Feb., 2017): Survey conducted from 9:00am to 12:00noon. The second day lunch was sponsored by Mr. Blakrishna Sutar, the Khubi villager. He gave very good vegetarian food to the volunteers and the staff. Dental students served the food. During afternoon from 3:00pm to 6:00pm 'Women Health Programme' was carried out. The team of doctors led by Dr Manisha Laddad and Dr Vaishali Vhaval checked 137 women in the age group of 12-85years. Medical students assisted the team. In the evening One-Act play 'Varhad nighalay Londonla' was presented by Mr. Ramchandra Garud, the staff of KIMSDU working in Transport Department. Students, Staff and villagers enjoyed a lot. An arrangement of this programme was done by Physiotherapy students. Dr Sunita Tata, Director Nursing Services, KIMSDU was Chief Invitee for this evening programme. On this occasion she addressed students and villagers.

Day 3 (Wednesday 1<sup>st</sup> March, 2017): The survey activity was carried out as usual during 9:00am to 12:00noon. The survey of knowledge about organ donation was over as it was one person – one house survey and students not engaged in the afternoon health programme were doing survey work in the afternoon also. On Wednesday special lunch (feast) was given to all, students, staff and villagers (members of Gram-panchayat, local leaders and members of Ganesh Mandals). Nursing and Physiotherapy students served food. In the afternoon 'Dental Health Programme' was arranged and assisted by Dental students. Dr Zope and Dr Vishwajit Kale-Deshmukh led team of doctors for conducting this activity. Dental check up of 73 needy men and women was done. They were given required medicines and were also given cards to take advantage of free/concessional treatment during three months period since the card given, at Dental College, KIMSDU, Karad. The evening programme was specially for public awareness. Dr Nitin Shinde, Head Department of Physics, KBP College, Karad presented the lecture on 'Phal-Jyotish: Samaj aani Vastav' with aid of PPT. all were impressed by listening and understanding concepts and contents of his talk. It was found to be new to all. For this programme Dr Mrs Vaishali Mohite, Principal KINS was the Chief Invitee. She was accompanied by Dr Mrs Jyoti Salunkhe, Professor KINS. At the end Dr Vaishali Mohite

addressed students and villagers. Being granddaughter of this village Khubi, villagers felicitated her in special. This evening programme was cared by Medical students.

Day 4 (Thursday 2<sup>nd</sup> March, 2017): Between 9:00am to 12:00noon the survey activity was undertaken. As knowledge about organ donation survey was over, Prevalence of hypertension survey was initiated. Students in the field were always under supervision of the staff. The afternoon lunch was served by Medical students. The arrangements and assistance of the afternoon activity 'Bones and Muscles diseases and Senior Citizens health Programme' was done by Physiotherapy and Nursing students. For the same the team of doctors was led by Dr Suraj Kanase and Dr Sandeep Shinde. They checked and advised/demonstrated physiotherapy exercises to 106 patients. In the evening there was a talk on adhyatmic subject 'Bharatiya Sanskruti: Kal v Aaj'. The arrangement for this activity was done by Dental students. The talk was delivered by Mr Anil Khatavakar, Principal Islampur High School and Junior College, Islampur. The talk was appreciated by all. Dr Varadarajulu, Principal KCPT was the Chief Invitee. He also addressed the audience at the end.

Day 5 (Friday 3<sup>rd</sup> March, 2017): The survey activity was carried out as usual between 9:00am to 12:00noon under guidance and supervision of the staff. The afternoon lunch was sponsored by Mr. Kuber (Appa) Mane, Dy. Sarpanch, Khubi. Physiotherapy students served the food. 'Estimation of Hb and Blood Group Investigation Programme' was, organized in the afternoon for villagers. The arrangement and assistance for the same was extended by Medical students. Dr Sujata Kanetakar, Professor and Head Dept. of Pathology along with Dr Avinash Mane led the team of Pathologists. They examined and investigated 129 individuals. Those who were anemic, they were requested to visit Dept. of Pathology, KH for free in depth investigation. In the evening the philosophical talk was arranged. Arrangement of this programme was done by Physiology students. The talk on 'Swami Vivekanand' was delivered by Dr Shantanu Kulkarni, Professor and Head Dept. of Surgery, PIMS, Islampur. All were enthusiastic to hear the same. On hearing the same all found cheerful. Professor Nandkumar Kakade of KINS, Karad was Chief Guest for this programme.

2016-2017**

---

Day 6 (Saturday 4<sup>th</sup> March, 2017): Students did survey up to 10:00am. Further they were brought to visit Krishna Sugar Factory. They all observed functioning of the factory from sugar cane entry for crushing to production and feeling of sugar in bags. They understood hazardous situations of workers and talked with them about safety during the work. On the same day also visited Chouranginath Temple at Sonsal. After coming back to the Camp place and after lunch which was served by Nursing students, Physiotherapy students arranged for 'Handicap people's Health Programme'. The team of doctors led by Physiotherapist Dr Vaishali Jagatap visited houses of 6 handicapped individuals. They examined them and suggested exercises. These suggested exercises were demonstrated to them and were asked to exercise for appropriateness. These individuals were identified during survey activity by the student volunteers as they were instructed on the first day. As there was time for the next activity we all visited Ramdas Swami created Maruti mandir in the river Krishna at Bahe near Khubi. In the evening the speech on 'Khare-Khure Idols' was given by Mr Dilip Gaikwad, Teacher of Samaj Vikas Vidyalaya, Sagaon, Dist Sangli. The arrangement of this programme was done by Dental students. Dr Shashikiran, Principal, School of Dental Sciences, was the Chief Guest for this programme. This programme was continued for Valedictory of the NSS Special Camp. Dr Shashikiran was President for this function. Number of villagers talked their feelings about Camp activities. They appreciated all activities arranged during Camp. However, these all activities were planned by keeping students and villagers as center. Dr Shashikiran conveyed his feelings to students and villagers in Hindi which was also liked by the all. He during his presidential address promised villagers that he will do the needful to arrange a Camp to provide and fix dentures to the needy in concessional charges at Khubi, so that they will not be required to do extra expenses and also not to waste their time. All were happy as this service was required by them.

Day 7 (Sunday 5<sup>th</sup> March, 2017): This was the last day of the Camp. All surveys were completed by 12:00noon. Sarpanch, Dy. Sarpanch and some village leaders were invited for lunch. Dental and Nursing students served the food. After lunch Medical students made the provisions for 'General Health Programme'. Dr Makarand Mane led the team doctors for this programme. They examined 88 villagers and gave them

**Report of Extension and Outreach Program  
2016-2017**

required medicines. Students were not in mood as they were leaving Khubi today. By 5:00pm in the evening they took one round in the Khubi and placed in the College Bus. The Bus reached in KIMSDU Campus by 6:00pm. All staff and students, saying thanks to everyone, went their places.

During Camp all Officers, Mrs Sheela Kadam (KIMS), Dr Avinash Mane (KIMS), Dr S Anand (KCPT), Dr Keshav Abayya (SDS), Mr Shivaji Pawar (KINS) worked hard and a lot. The assistance of Dr Pranjali Gosavi (KCPT), Mr Nandakumar Kakade and Mrs Ujjwala More (KINS), Dr S K Danga and Mr Satish kambale (NARI), Mr Dhiraj Mane and Mr Mahendra Alate (Office of Director of Research), Mr Rais Patel, Mr Amit Patel and Mrs Seema Dhadachire (Ob. Gyn.) and Mrs Rajashree Yadav (Nsg.) was also much valuable to conduct the Camp smoothly. This whole team of staff was always remaining with students during survey and other activities. The respective staff was guiding students during their allotted activities like serving food, tea and breakfast, arranging afternoon health activity and evening programme. Mr Satish Sawant and Mr Bhagvan Gurav, the attendants were always helping staff and students in each ones work. Their untired contribution was really appreciable. Mr Bhaskar Kambale and Mr Balwant Gore, the photographers, snapshot each and every activity and important occasions in which our student volunteers and staff; NSS staff and the staff specially deputed for this Camp; actively participated and worked.

Overall the Camp was completed successfully. All students learned rural life style as well as enjoyed during their stay in village Khubi.

The second NSS Special Camp activity carried out in village Khubi, of Karad taluka from 27<sup>th</sup> Feb. to 5<sup>th</sup> March, 2017.
